### Nor Airplane

My dad flies in a  
airplane like he is in a home that  
flies. I get excited when my  
dad comes. He flies like a  
bird. He flies over the blue ocean.  
My dad flies with tall and small  
people. My dad flies to Norway  
like an eagle. The airplane looks  
like a big bird who does not  
move its wings.

Finally

Wheels of the airplane  
hits the airport.
